

30,000 litre Articulated Tanker

Dedicated Bulk Drinking Water Tanker.

Technical Specifications

Water Direct operates the largest commercial dedicated drinking water tanker fleet in the UK.

The 30,000-litre tanker is ideal for cost-effective, large bulk deliveries to sites with no access restrictions. Able to deliver a pressurised supply, connect to the mains for network injections, and work in tandem to provide significant volumes.

Tank Capacity	30,000 litres (30m ³)
Chassis Type	Articulated Axle
Vehicle Weight	44 tonnes
Total Length	15.4m
